Chair
Dancing for Dreams
Vancouver Chinatown Lioness Club

Dear Johnna,

On behalf of the BC Centre for Ability, I would like to thank you, your committee members and fellow lioness whole-heartily for a successful 'Dancing for Dreams' that took place on Saturday, September 19, 2009. Not only was it a huge accomplishment, raising \$16,000 to support Centre's programs and services for people with disabilities, but it was also an event that filled with spirit and heart. These two wonderful qualities were evident throughout the evening – from the folks working at registration desk to everyone helping to execute the evening agenda. Our utmost appreciation to all of you who worked tirelessly together in the past few months to attain sponsorships, auction items, raffle prizes, donations, ticket sales..... It was a big task but you all did it, and did it remarkably well.

We are very pleased to acknowledge Vancouver Chinatown Lioness Club in our upcoming newsletter, annual report and on our Kite Wall.

Your support helps make an impact in the lives of children, youth and adults with disabilities. We thank you from the bottom of our hearts!

Yours truly,

Monica Chui
Director of Resource Development
